Robert,

Under Rule 408, WPEM offers to dismiss its claims with prejudice and grant a license in exchange for your clients dismissal of its claims and for your client to not pursue its attorneys fees or costs.

Litigating the validity of the patent appears to be in neither party's best interest and I think we can save both our clients money through this proposal.

Please let us know.

Robert,

We would accept \$75k to settle all claims in this lawsuit. The offer will stay open for three days. The settlement comes with a license.
